RE: VanMar Constructors

Atira Women's Resource Society contracted with VanMar Constructors for our major capital project, Sorella Housing for Women. Sorella Housing for Women is a stunning, Leed Platinum, 108-unit building in Vancouver. The project was recently completed well ahead of schedule, and I am writing to commend VanMar for their exemplary work. I am grateful for the hard work, flexibility and direction that VanMar has taken, for Art Van Maren's availability in particular and for his willingness and quick response to any and all of our concerns, valid or not. His crew has been friendly and accommodating as well, and it has been a complete pleasure working with them.

I am happy to chat, should you have any questions. I can be reached at 604.331.1420.

Sincerely,
Atira Women's Resource Society
